Dear Builder,

I am happy to inform you that you have been chosen by your peers as one of the "Best Builders in Dallas 2010."

Congratulations for making it into this very select group. The list will be published in our May/June 10th Anniversary issue.

In the next few days, an advertising representative from *D Home* will contact your office to discuss how you can increase your exposure from this selection among your clients and throughout the city. Whether you choose to purchase an ad or not, you're on the list. Our list is in no way affected by advertising.

Please accept my compliments on all your hard work and my congratulations on the respect you have earned among your colleagues.

All the best,

A handwritten signature in black ink that reads 'Laura Kostelny'.
